### tap

---

#### GLACIAL TILL ORIGINAL CIDER 12OZ \$7

Palmyra, NE ..... 5.5%

Glacial Till's first production of hard cider. Made from a blend of sweet and tart apples. A perfectly balanced, light cider with a touch of sweetness. Strong notes of lemon and citrus. An easy drinking and refreshing cider perfect for any occasion.

#### INFUSION VANILLA BEAN BLONDE 16OZ \$6

Omaha, NE ..... 4.8%

Crisp Blonde with Madagascar Bourbon Vanilla Beans. A local easy drinking favorite.

#### FARNAM HOUSE BIÈRE DE GARDE 16OZ \$6

Omaha, NE ..... 6.3%

A copper-colored farmhouse ale that is slightly rounder, richer, and more malt-focused. It has a "cellar" character from "guarding" it for a lengthier period of time to allow it to mature.

### Bottles & cans

---

PEACE TREE BLONDE FATALE 12OZ \$8

Knoxville, IA ..... 8.5%

This Belgian-Style Blonde Ale will steal your heart as the unfiltered golden hue seduces your taste buds with surprising smoothness. It's delicately hopped with Styrian Golding and Celeia for medium aroma with a crisp and refreshing bite. The Belgian yeast adds hints of fruity complexity, but be warned – its mysterious charm will draw you in again and again.

PEACE TREE KISS FROM A GOSE 12OZ \$7

Knoxville, IA ..... 5.25%

A twist on a classic German gose (pronounced “goes-uh”). This cloudy, golden ale is brewed with malted wheat and barley and undergoes a kettle souring for pronounced tartness. Coriander and hops complement the acidity with a dry spiciness. Premium sea salt from the Oregon coast is added for a hint of brine and the addition of rose hips imparts a subtly floral, citrus character. This refreshingly tart ale is brewed with our power, our pleasure and our pain. The more you taste of it, the stranger it feels.

COOP SPARE RIB PALE ALE 12OZ \$6

Oklahoma City, OK ..... 4.0%

Big on late-hopped flavor, easy on bitterness, this American Pale Ale has a heaping portion of Columbus and Amarillo hops added after it leaves the brewhouse. Share this refreshing gas station beer with your nearest companion.
